We think you will find it a very useful site. Register and sign in and it will keep a history of your purchases so that you can easily refer back to see what you ordered last time. There is no more guessing about what you previously ordered.

It also will keep you current on the many changes to Michigan's legal forms and what can and can't be used.

When you order from us you will receive the current versions of the forms you order. In most cases the forms will be shipped out the day you order them.

LASER PRINTER PAPER

We now offer 8 1/2" x 11" self-imaging paper for use in laser printers and copiers. This is coated front and back or what is called CFB so that the back side of each sheet will image onto the face of the next sheet.

CFB paper is sold in reams of 500 sheets or in cartons of 10 reams. **Prices include shipping. Paper prices and shipping charges change often but prices as of the date of this catalog are as follows below:**
